EXHIBITOR OPPORTUNITIES

What is ITC?

The premier networking event for distributors, retailers, traders, resellers and wholesalers

ITC Malta is the top networking event for professionals in the mobile phone, IT components, and consumer electronics industries. This is where connections go beyond business cards - it's about building relationships that drive real growth.

At ITC, we know that authentic relationships are the foundation of success. Trust is crucial, and when big decisions arise, being the trusted choice matters. In our industry, it's often who you know that opens new doors.

ITC Malta 2026 will gather over 800 top decision-makers from around the world for a four-day event. Set against Malta's stunning Mediterranean backdrop, the event offers unique networking, immersive entertainment, and valuable insights.

By bringing together the biggest names and innovative minds, ITC Malta 2026 helps deepen existing relationships and spark new connections that lead to lasting partnerships.

"Well organised, well attended, and a great place to grow the right relationships."

Christian McBride,
Associate Director
of Innovation & Strategy
